The information above reflects the State funding level as recommended by the Executive Director of DPA. This funding level is subject to approval by the State Legislature. Should these employer contribution amounts not be approved, resulting in different levels of monthly employee contributions, the State contribution will be adjusted accordingly amongst the four coverage levels. If adjusted contributions become necessary, a revised chart will be made available on our Web site [www.colorado.gov/dpa/dhr/benefits](http://www.colorado.gov/dpa/dhr/benefits) and sent to your department's benefits, payroll, and HR staff. Watch for communication from us or from your department for any updates. We ask that you complete your enrollment early and, if necessary, make any adjustments later in Open Enrollment.
